

Lake Michigan Coastal Program
Document # 5 - Grant Fund Explanation
Coastal Advisory Board Meeting July 9, 2003

The Lake Michigan Coastal Program receives approximately \$1.15 M annually from the NOAA each year. This money is broken out into several different categories, each with a separate match component. The 2003 grant proposal receives funds from: Section 306 and Section 306a. These two categories are broken out as follows:

- **Section 306 – Currently requires 2.3:1 Match**
 - Program Administration,
 - Federal/State consistency,
 - Outreach/Education
 - Grants to subgrantees for research and resource evaluation studies

- **Section 306a – Requires 1:1 Match**
 - Land acquisition,
 - Resource Management Improvement,
 - Low-cost Construction Projects, etc.
